SO ORDERED.

Re: *United States v. Nigel Livingston*, 21 Cr. 558 (RA)

Dear Judge Abrams,

The parties write to request that the Court schedule a status conference regarding the pending Violation of Supervised Release specifications for a date after January 23, 2025. The defendant's next court date in the state case relating to the same conduct charged in the pending specifications is January 22, 2025. Thus, scheduling the conference for a date thereafter would allow the parties to gather necessary information, as the resolution of the state action may impact the parties' plea negotiations regarding the pending specifications.

Defense counsel may request a bail hearing prior to the date of the next scheduled conference.

We thank the Court for its attention to this matter.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
